From Our Pastor, Fr. Fausto...

My Dear Friends,

The Delta Variant of the Covid-19 has brought back, in many quarters, masks and safe distancing, just when we were contemplating, for example, the opening of the school year 2021-2022. On August 6th, new cases of Covid in the previous weeks loomed to 134,506 with 380,576 new vaccinations. The group with the most vaccinated people was the 65+ with 85% vaccinated, followed by the 60-65 at 78%. Young people 12-19 years of age, reached 41% of being vaccinated, according to the Florida Department of Health. Our Sarasota County of 441,179 people had 282,832 fully vaccinated residents (70%). The death toll in Florida this past week was 615.

As all the mass media, more or less gloating, about Friday, August 6, reaching record breaking 23,903 new cases, with the open fight between President Biden and Florida Governor DeSantis. Pope Francis' remarks of January 11 of this year, should be taken seriously by US Catholics, as disciples of Jesus: *"I believe that morally everyone must take the vaccine. It is the moral choice, because it is about your life but also the lives of others...there is a suicidal denialism..."*

Today, August 15 is a Holy Day in honor our Lady's Assumption. I still remember vividly the proclamation of the Dogma of the Assumption in St. Peter's majestic square on November 1, 1950. I thought that this was the most solemn religious occasion of the past century, until the announcement of the Second Vatican Council came nine years later. In studying Church History, I was impressed by the ancient councils of the Church, always proclaiming new Dogmas, and I also was thinking how tragic were those ancient times when popes were imprisoned or killed. But, in this past 65 years, we with white hair (or whatever little hair is left, white or otherwise...) have witnessed a Dogma proclamation, an Ecumenical Council, the shooting of a pope, a pope who reigned only for a month, one who reigned over 25 years, and one who retired for the first time in 600 years...history did repeat itself!

On the topic of this Dogma of the Assumption, we must remember that this is based on the old tradition about Mary's falling asleep, and being taken up to Paradise, as pre-figured in the identification of the Blessed Mother with the woman clothed with the sun in the last book of the Bible (Revelation 12). The apocryphal narrative Transitus Mariae (about 500 A.D.) gave body to this belief, as shown by the feast, which was well established at the time.

Jesus did promise that He was going up to heaven to prepare a place for us, and He said, *"I will come back again and take you to myself, so that where I am you also may be."* (John 14:3). And Mary was the first to be raised and brought to heaven. On November 1, 1950, Pius XII solemnly declared, as a Catholic Dogma, that Mary was assumed into heaven, body and soul, closing "Ex Cathedra" the long debate, which raged in Christendom over the Assumption. We do know that for 1600 years the Church celebrated the Feast of the Assumption of Mary, and for a

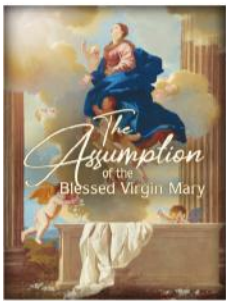

thousand years it was a Holy Day of Obligation. Because the Holy Spirit guides the Church, it would have been absurd to believe that the Church could have erred for centuries in such an important truth! So that, even if the Bible is silent on this matter, we firmly believe that Mary is joyfully united, body and soul, with the risen Lord among the glory of the angels and saints!

And this Dogma gives joy for all of us, because Mary is our Mother and, as a good Mother, certainly she would want to have us join her in Paradise, and she will not let the devil snatch us from her hands in our last moments of life.

In these sad pandemic times, we ask God to end our tribulations; let's ask Mary's intercession to join her prayers to ours.

Smile, God loves you and so does Fr. Fausto with your St. Martha clergy:

RESPECT LIFE

respect · love · protect

In times of suffering, the human person should be able to experience a solidarity and a love that takes on the suffering, offering a sense of life that extends beyond death... In the family a person can count on strong relationships, valued in themselves apart from their helpfulness or the joy they bring. It is essential that the sick under care do not feel themselves to be a burden, but can sense the intimacy and support of their loved ones.

Let us continue to pray for the Cuban people in their fight against this brutal communist regime, and for the people of Haiti struggling to find peace in this time of political unrest, violence, and absolute poverty.

For unity in countries around the world, that they may find a balance that does not exclude others because of politics, prejudice, or oppression, we pray to the Lord.

For the troubled areas of our world, particularly Cuba and Haiti, may the human dignity of all people be recognized by governments and fellow citizens, we pray to the Lord.

For the softening of the hearts of the national leaders in nations where political strife and oppression overshadow the common goal of respecting the dignity of every individual made in the image and likeness of God, we pray to the Lord.

For the citizens of Cuba, that through the intercession of Our Lady of Charity, an end may be brought to the division, suffering and internal conflict within the country, and that all will work to build peace and harmony, we pray to the Lord.

For an end to the violence and civil strife in Cuba and Haiti, may the God of healing and compassion guide these and all nations to work toward building peace, and in collaborating with others to provide assistance to their citizens in need, we pray to the Lord.

For the Faithful of the Diocese of Venice, may the Holy Spirit inspire us to live in solidarity with one another, to seek justice for those that are persecuted, and comfort for the suffering, we pray to the Lord.

For the vaccines, healthcare and medical supplies so necessary for our brothers and sisters to fight the Coronavirus Pandemic in Cuba, Haiti and all developing countries, with the goal of an end to the Pandemic, we pray to the Lord.
